BRAND GUIDELINE · 2026

Your building, in order.

আপনার ভবন, গোছানো।

02 · BRAND ESSENCE

Every building deserves a clear record.

PURPOSE

Make building records clear, fair and provable for every committee, owner and tenant in Bangladesh.

PROMISE

Every bill, receipt and notice in plain words, with proof of who paid, who was told and who agreed.

FEELING

Quiet confidence. The relief of a settled account, and a neighbour who tells the truth.

Trustworthy · Warm · Clear · Fair · Proven

FlatWise helps committees, owners, tenants and caretakers keep service charges, expenses, notices and records in one calm place. Everything in this guideline exists to make that feel like one product.

One roof. One lit window.

PRIMARY LOCKUP

FlatWise

Roof over two ledger lines, in a ring. Wine wordmark, red spark. Clear space on every side equals three times the lit square.

THE ICON

The roof is home. The two lines are an honest ledger. The red square is the lit window: someone is looking after it.
